

Year 7 Autumn 1 Homework

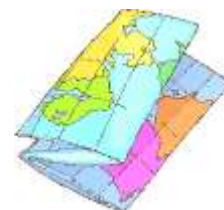

You need to pick a country of your choice and complete at least 6 of the tasks listed below about your chosen country.

Tasks 1 + 2 must be completed, 4 others of your choice

1. Produce a detailed map of your chosen country.
2. Find out statistical/key information about the country.
Eg. Capital city, population, main industries, famous natives, geographical features and historical facts
3. Create an advert encouraging people to visit your country.
4. Imagine you have visited a key place in your chosen country and write a postcard about your visit.
5. Create a detailed plan of where you'd like to visit if you were there for a week.
6. Research a key historical event from your country.
7. Research what activities people can do in your country and create a leaflet about it.
8. Choose a famous person from your chosen country and create a fact file about them and their achievements.

You have $\frac{1}{2}$ a term to complete these tasks, your teacher will ask you to bring in your work at certain times in order to check your progress
