

Houses of Parliament

The Student Council enjoyed a trip down to London visiting the Houses of Parliament. They first had a guided tour through the House of Lords, House of Commons and Westminster Hall. Secondly, our students had a workshop where they learnt all about how a law is made starting with a debate. The debate topic was “should all 18-year-olds get free transport”. In a fairly heated debate, the ayes had it. Students were then treated to a tour of London seeing the sites such as Big Ben, Downing Street, Harrods, Buckingham Palace and Trafalgar Square.
